

**The VOICE (Volunteers Organized to Improve Children's Education) program was developed to enhance student learning. Volunteers work with students on an individual basis (or in small groups) with activities directed by the classroom teacher or assist with clerical duties. Parents, grandparents, and community members are invited to join this group of fine people helping to make a difference in the lives of our children! If you have further questions, please call Sue Vokal (District VOICE Coordinator) at 313-827-1050. If you are ready to volunteer, please fill out the information below!**

✂

Yes, I want to be a VOICE (Volunteers Organized to Improve Children's Education) volunteer.  
I understand that becoming a VOICE in the Allen Park Public Schools for as little as one hour per week can make an important difference in a youngster's life!
