April 26	Thursday	8th	Math
May 1st	Tuesday	8th	Science

Ohio Achievement Assessments are given to all Ohio students in grades 3-8. Licking Heights Schools will be administering the assessments on the above listed dates.

Initial testing will be completed during the week of April 25-29th for all buildings. Make-up testing will be the following week.

Like any other school day, attendance is a critical component of success and students maximize their potential when they have a good night's sleep and a healthy breakfast prior to school.
