

Dear Maranatha Faculty and Staff,

This Wednesday we will have several Scrip gift cards available for purchase after school in the elementary parking lots. With spring break coming up, plan ahead. If you know that you will be traveling or staying home but going out to eat, or do your grocery shopping, buy a Walmart or Visa card, or a card to one of the following restaurants. You will be prepared and you will bless Maranatha.

We will have Walmart, Visa, Chipotle, Chili's, Applebee's, and Starbuck's cards available for you. Come prepared to purchase cards and to support Maranatha.

If you purchase a \$25 card, you will receive \$25 on your card; however, Maranatha was able to purchase it for a slightly lower price. That is how the program benefits Maranatha. It's a win-win situation for everyone involved!

You can continue to place orders on Monday mornings by having your order in by 9:00 am. But this week we will have cards available after school on Wednesday. We also plan to have the cards mentioned above, on hand and available throughout the year.

Thanks so much. Please let me know if you have any questions. Also, I have attached a poster about this Wednesday.
