

District/School Goals for 2010-2011

Goal #1: *Investigate the feasibility of alternative options for the future of the school district in light of limited funding, student population decline and desire to increase the efficiency of operations.*

Goal #2: *Achieve adequate yearly progress (AYP) on the Reading and Math portions of the NJASK tests for Spring of 2011.*

Goal #3: *Investigate the feasibility of developing and implementing a full-day Kindergarten program in Springfield School.*
